It is gratifying to note a considerable reduction in the number of fires, especially chimney fires. We sincerely trust that everyone will cooperate to the best of their ability in keeping their chimneys clean, thereby reducing the hazard from fires. We appreciate the good spirit shown by the members of the company and are especially indebted to Mr. and Mrs. Gates who have operated the alarm system so efficiently.

We believe all of our equipment is in first class condition. It will be necessary to purchase additional hose during the coming year.

CHANGE IN TEACHING CORPS

There has been but one change in the teaching corps for the present year. Miss Hope Rosell having resigned at the beginning of Spring term of last year, Miss Helen Rice, a graduate of Keene Normal with two year's experience in the Spofford schools, was assigned to the sixth grade.

SCHOOL CONDITIONS

The bringing of the First and Second grades into the Brick building has solidified the school unit, brought a closer coordination in school grades, an economy in the operation and maintenance of school plant, and added efficiency to the school system.

During the present year, I have noted a better attitude of the pupils, a stronger co-operation of the teachers, and an increased interest in school work.

In conclusion, I wish to thank the school board, teachers and parents for their co-operation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,

Supt. of Schools.

REPORT OF SUPERVISOR OF MUSIC

It is my belief that children must first be taught to appreciate and love good music—both in hearing and singing it— and then the study of theory may be undertaken as a means of greater participation. The program of rhythmic drill and simple dance steps started in the first grade and continued through the six grades, is a source of great pleasure to the pupils and has a very strong relationship to the appreciation of music and to theoretical time study.

The chief aim in the first grade is the elimination of non-singers of which there are usually from 50 per cent to 75 per cent, and sometimes more, at the opening of school in September. In Troy this is accomplished to a remarkable degree. In Grades II and III theoretical study is begun with great satisfaction to the pupils who find themselves able to read their own very easy songs. In Grades IV-VI the several branches of music study have a very definite and concentrated outline for great accomplishment. Two-part singing, by means of rounds is started in Grade IV and continued in Grade V in two-part songs. The early American Folk Dances are taught in Grade V and in both IV and V the study of composers and instruments of the orchestra is important. The sixth grade should be a period of very strong and enthusiastic preparation for Junior High School, with an outline for more advanced study in all branches named.

One of the most interesting of problems is presented in Junior High School and continued in High School—that of the changing boy voice. In September each boy has an individual voice test that he and his teachers may know the condition and placement of his voice and what to do about it. Every boy is free to have additional voice tests whenever it

seems wise. It is most gratifying, through this procedure coupled with vigilance and patience in chorus practices, to see many boys gaining confidence in their ability to contribute to the chorus.

Our work in Troy High School is confined to Assembly singing and Glee Club work. Last May, for the second time, joint concerts were presented by the combined Glee Clubs of Jaffrey and Troy High Schools, the same program being given in each town. The combined groups numbered 75 voices. In the Troy concert, the First and Second Grade Rhythm Band played two selections and the entire sixth grade sang two three-part songs. Troy had no participants in the 1936 All-State High School Music Festival held in Hanover, but Miss Reba Pierce was selected to represent Troy in attendance at the two-day Festival with the Music Supervisor.

I wish to express gratitude for cooperation to the Superintendent, School Board and teachers.

Respectfully submitted,
MILDRED H. WHITCOMB.

REPORT OF THE HEADMASTER OF TROY HIGH SCHOOL

To the Superintendent of Schools:

As Headmaster of Troy High School, please permit me to submit the following condensed report of the school activities.

ATHLETICS

Baseball and basketball are the two organized sports in which we compete with teams of other schools. Last year we were very successful in our basketball competition, taking second place in the League with both the boys' and the girls' teams. This year because of the distance it was necessary to travel, we decided that it would be for the best interests of all to withdraw from the League although we still play the majority of the same teams. In baseball the results were less

favorable but the team broke about even in the games played. One reason for lack of interest in baseball is due to the fact that the boys are not properly equipped with uniforms because of the expense, but we are hoping to be able to so equip the team this year. However, while the teams put forth their best efforts it must be remembered that developing a proper sense of good-sportsmanship and fair play is more important than winning.

The following were the members of last year's girls' basketball team who earned their letters:

Taimi Koski, Captain	Bertha Iaine
Ellie Ojala	Helen Koskella
Mary Stanford	Helen Julian
Claire Parker	Yvonne LaPorte
Betty Rogers	Marie Marrotte
Phyllis Lang	Olive Haskins

BOYS' TEAM

Elwin Haskins, Captain	Marshall McKew
Fred Annala	George Congdon
Norman Tucker	Omer Marrotte
Herbert Mason	Rudy Valonen
	Gerald Driscoll

LITERARY ACTIVITIES

The Senior play, "Hold That Line, Jimmy," was presented by the senior class in the Troy Town Hall in May, 1936, the parts being taken in a creditable manner by members of that class.

Students are encouraged to enter the One Act Play Contest sponsored by the State Department. Those who enter write a one-act play which must be presented before the school assembly. From the plays that are submitted from schools all over the state the judges select four that are presented the first of May. At that time, prizes are awarded.

Interest in public speaking is encouraged by the Annual Prize Speaking Contest that is held early each spring under the direction of the English Department. The students who took part in the last contest were: Yvonne LaPorte, Mary Stanford, Betty Rogers, Claire Parker, Marie Marrotte, Helen Koskella, Helen Julian, Gerald Driscoil, Rudolph Valonen, Norman Tucker. Interest is also encouraged by prepared reports, memorized selections, and current events which are delivered before the various classes.

EXTRA-CURRICULA ACTIVITIES

Following the suggestion of the State Board of Education, time has been set aside for activities apart from the regular school work in both the Senior and Junior High Schools.

Several clubs have been formed for those who are interested and every student must take part in some club activity. These clubs also present programs before the school assembly.

The school prepared and produced a Minstrel Show for the benefit of the District Nursing Association and plan to repeat the same this year.

Among the social activities were the Freshmen Reception, Hallowe'en Party, Christmas Party, Valentine Party, and the Senior Reception. Also the various classes enjoyed class outings. In June the school participated in an outing which included a trip to Norumbega Park and a motion picture show in Boston.

GRADUATION

On June 12, 1936, Troy High School held its second graduation as a four-year school, graduating a class of eleven. Of these Mary Stanford is studying at Burdette Business College in Boston, Herbert Mason is at Worcester Trade School, and Taimi Koski is taking a post-graduate course at Troy High School. The remainder of the class have already taken their places in the working world.

On Sunday June 7, the members of the graduating class attended a baccalaureate service at the Congregational Church. The sermon was preached by the Rev. Earl Hair.
